Dear Patricia & Joseph Abrams:

I want to extend my sincere appreciation for the assistance your agency provided during the week of April 10, 2010. Though we did not locate additional bodies or evidence during the search, their efforts have offered great peace to the families of those still missing. This peace comes from knowing we have genuinely made all possible efforts to locate their missing loved ones.

While here, your personnel were joined by over two hundred North Carolina National Guards men and women and officers and personnel from over a dozen different jurisdictions and agencies from our area. Their inter-agency efforts and camaraderie give me great satisfaction that as a team we put forth a tremendous effort.

If the Edgecombe County Sheriff's Office can ever be of assistance to your agency or to you personally, please call.

Sincerely,

James L. Knight  
Sheriff of Edgecombe County
