RE: Healthy Kids Day 2005

Dear Joe:

On behalf of the Manatee Family YMCA, I would like to thank you for your outstanding participation in our Healthy Kids Day event. As you are probably aware, Saturday was a huge success. You helped make that day special for the children and for us by providing a great group of informative people and the dogs.

We have estimated that over 1,000 participants took part in the event. We also had over 50 exhibitors on site. Your willingness to actively participate in Healthy Kids Day allows the YMCA objectives to be reinforced. Healthy Kids Day provides our community with many essential tools to learn how to become healthier and safer for people of all ages, income levels, ethnicities, religions and abilities. Together "We build strong kids, strong families, and strong communities".

I hope you and your staff found that the event was a positive experience. Thanks so much for being a part of Healthy Kids Day.

Sincerely,

Shawn Simmons
