Pat:

On behalf of the Sarasota County Fire Department, I would like to take this opportunity to express our sincere appreciation for the outstanding performance of our K-9 Search & Rescue Team during the Carlton fire. The assistance and support to our Incident Command System was very much appreciated.

Due to the tremendous amount of team effort operating under the Incident Command System, trained skills, and the cooperation demonstrated by all agencies, we were able to finally contain this fire.

Again, please accept our heartfelt thanks for a job well done. It is our pleasure to be affiliated with professionals of your caliber.

Sincerely,

Brian Gorski  
Fire Chief
