Dear Pat:

Thank you so much for all the hard work you and the members of the Sarasota K-9 Search and Rescue Team did to make the Disaster Animal Response Team (DART) training in Sarasota a success. I appreciate the time and effort you contributed to make the experience so meaningful for the over 50 participants.

It was especially nice to have your team taking care of registration, breaks, setting up and clean up, etc. As you know, I was still recovering from extensive travel and illness, so to have those chores taken off my shoulders was a godsend.

The evaluations for the seminar are now almost all in, and the response was overwhelming positive. I believe the Sarasota training was one of the best yet. Thank you again for your efforts.

Sincerely,

Laura Bevan  
Regional Director

P.S. We are currently designing new certificates with the DART logo, so the certificates for your team will be on the way soon.
