Dear Ms. Abrams:

On behalf of the City of North Port, we would like to thank the Sarasota K-9 Search and Rescue team for inviting our Volunteer Emergency Response Team (VERT) to participate in the drill on Saturday, March 8, 1997.

While the marine patrol did rescue their victim, the horse team will not soon forget five hours in the saddle.

Again, thank you for inviting us.

Sincerely,

Paul G. Kaskey
City Manager
