August 27, 2014

Tami Treadway, Training Coordinator
Sarasota K-9 Search and Rescue, Inc.
PO Box 51446
Sarasota, FL 34232

Dear Mrs. Treadway,

On behalf of all the members of the Sarasota Composite Squadron, I want to thank you, Mrs. Cindy O'Neill, and your team for supporting and participating in our Emergency Services Training on August 23, 2014. We had a great turnout for the event with more than 50 members attending the training.

All of the volunteer members of CAP play an important part of our organization – making a difference for our country and communities. Our ability to provide emergency services to our community would not be possible without the dedication of our volunteer members and support from organizations like yours.

Thank you again for your support of Civil Air Patrol. We look forward to working with you again in the future.

Sincerely,

Robert C. Brehm II, 1st Lt, CAP
Emergency Services Officer
SRQ Composite Squadron
